TACT-2

is a comprehensive crisis intervention program designed to help staff develop the skills and judgment to:

- (1) Distinguish between emotional crisis and deliberate misbehaviors.
- (2) De-escalate emotional issues and manage deliberate problems.
- (3) Physically intervene with safe escorts and restraints in dangerous situations.

"The value of the class is not how well you are prepared to use a physical restraint, but how well you are prepared to prevent one."

Jaimie Kassman, Director
YKHC Bethel, Alaska
