TBM/Schools program

Therapeutic Behavior Management is a 6-10 hour course in crisis prevention and verbal intervention skills, with versions for elementary, high school, and foster care. TBM is designed to help staff sharpen the skills and judgment to:

- (1) Identify signs of dangerous behavior, separating deliberate misbehavior from emotional issues.
- (2) Prevent or manage minor misbehaviors without engaging in unnecessary power struggles.
- (3) Understand the impact of stress and trauma on student behavior, then calm emotional situations.
- (4) Recognize and respond to potentially volatile situations with calm redirection and removal.
- (5) *Safely control dangerous situations with safe holds and escorts (requires additional training).**

"I really feel fortunate to have learned from Dr. Parese, someone who always has the students' best interest in mind while also keeping the staff safe."

**Denise Redmon, School Psychologist
Washington, DC**

Instructor Certification

with the author, Dr. Steve Parese, will provide you with the skills, knowledge, and materials needed to immediately train your school, shelter, or group home staff in the TACT2 crisis intervention program.

Materials: Detailed TBM Trainer's Manual, PowerPoint CD, ten (10) staff workbooks, and reproducible tests and supplements included.
